Welcome to

YOUR ONE STOP SHOP FOR ELECTION MATERIALS.

The Elections Team at Shaw’s continues to supply comprehensive election materials and equipment to nearly all of the UK’s local authorities.

In this, our equipment catalogue for 2018, you will find numerous products, large and small, that have been designed to make the administration of your elections and referendums as trouble-free as possible.

Our extensive product range has been developed over many years, in collaboration with the Association of Electoral Administrators, the Electoral Commission and the Cabinet Office. By combining our experience with insights from these organisations, we ensure that our product range is practical, useful and conforms with all relevant legislation and guidance.

2017 was busier for electoral administrators than we all expected and, as the current political climate remains unpredictable, it is more important than ever that you take stock of your equipment and plan ahead with your orders.

Please note that we welcome suggestions for additional products, therefore if you have an idea for a product that will enhance the administration of your elections, please do get in touch.

BALLOT BOXES

Plastic Ballot Boxes

Ref: SBBP
470mm (h) x 450mm x 350mm

90 litre plastic ballot box

Ref: SBBPL
570mm (h) x 570mm x 450mm

Available in 'standard' 50 litre and high-capacity 90 litre sizes, these well-designed and practical ballot boxes are specially made for Shaw's.

In specifying these boxes, our requirements were: compact stacking of boxes and lids for easy storage; robust, long-lasting construction; ability to replace unsightly cable tie seals with neat, easy-to-use, cheaper seals (SBBP only); and, most important of all, low price.

The 50 litre boxes use up to four Shaw's arrow-lock seals with easy release tabs (BBS3) for the lid, while the 90 litre box uses four traditional pull-secure seals (BBSS); both boxes use a plastic 'padlock' seal (BBS4) for the flap that covers the slot (although a conventional tie seal may also be used for this). Ten seals (8 x BBS3 or BBSS and 2 x BBS4) are included with each box.

Colour: all black

- Robust, durable plastic construction
- Boxes nest inside each other for compact storage
- Lids store within boxes and can also stack on one another
- Lids are recessed to allow boxes to stack on top of one another
- Hinged flap to seal slot
- SBBP lids use four Shaw's arrow-lock seals with easy release tabs. These are low cost and are much neater than cable-tie type seals
- Slot uses one plastic 'padlock' seal
- 10 seals included with each box
- Self-adhesive clear plastic wallet can be supplied for labelling purposes –CPW1/CPW3, see below

Our pavement sign (see page 8) may be adapted to suit individual requirements and/or customised with an authority's name and logo.

Laminated signs and posters

We can produce laminated versions of any of our stock paper signs (detailed on page 9) on any standard paper size (A4, A3, A2, etc.). We can also customise signs and posters with your choice of wording, e.g. PARKING FOR VOTERS; POLLING STATION OPEN.

Foamex rigid plastic signs

We can produce any of our stock paper signs on a rigid plastic material, 'Foamex', for increased durability.

Rubber stamps

Further to our range of stock stamps detailed on page 15, we can also make to order stamps with your own choice of wording. Examples of stamps we have produced for some local authorities are:

I AM IN THE QUEUE

VOTING FOR MORE ANSWERS THAN THE VOTER WAS ENTITLED TO

REJECTED: DATE OF BIRTH MISMATCH

Made to order stamps are available in traditional rubber stamp style or self-inking.

Counting trays

In addition to our two stock sizes of counting tray detailed on page 14, we can also source other sizes to order.
